Advancement 2.0

Done and dusted!

It's the terminal point for the Advancement 2.0 Term. All thanks to God Almighty for seeing us through. On behalf of the GMD, Board of Directors, and the entire Juilliard staff, I want to appreciate you, our ever-loyal customers. You make us remain in business continuously. Thank you.

The term was loaded with many a mind-blowing activity targeted at churning out a TOTAL child that can stand at par with an average university graduate. Please, relax to feed your eyes with the pictorial display of the activities.

DRIVERS FOR CAREER SELECTION:

A NEED OF THE SOCIETY, COMMUNITY, ENVIRONMENT, Resources available & OTHERS.

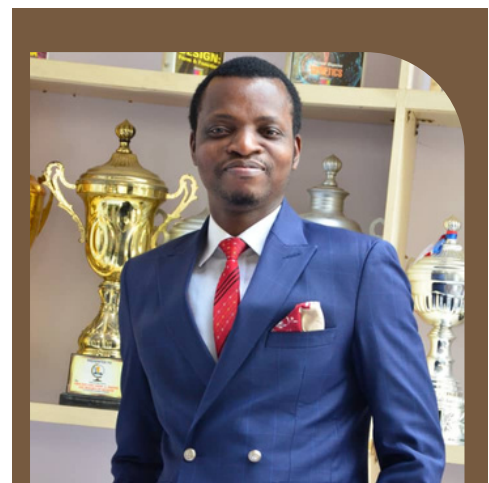

Career Week

The essence of raising today's children is to build tomorrow's responsible adult and leaders. This term, we organised an eye-opening career talk in the field of Engineering. Both local and international facilitators made the week historical. Don't be surprised if your child says he/she wants to become an engineer. Enjoy the scenery!

Anti-BULLYING Week

We say no to bullying in Juilliard! We preach it. We act it. "If you see something, you must say something". That's our mantra. We're on course to sanitise our community. Together, we shall create a sane society. Please enjoy the views!

Mr Femi Taiwo
PRINCIPAL, JUILLIARD ACADEMY

KINGS AND QUEENS OF MATHEMATICS

This is a program that's been unearthing Math gurus. Every two weeks, students engaged in keenly contested Math drills to clinch the King and Queen of Math for their grade levels. They're adorned with the badges for two weeks. Your child can sure retain the badge if he/she fights for it! Congrats to the winners.

SPELLING BEE & WRITING

Not only do we build our children in calculations, but also in language. The junior students were engaged in Spelling Bee while the senior students focused on writing. It's been a competitive world. We're glad to announce to you that Merlin house carried the day. Congrats, Merlin!

MINI INTER-HOUSE **SPORTS**

It's another moment our jewels put their sporting talents to the test. New talents were discovered; old ones had their skills honed. At end of the event, everyone was a winner. Here is the table:

POSITION	HOUSE
1ST POSITION	EAGLE
2ND POSITION	SWIFT
3RD POSITION	MERLIN
4TH POSITION	PHOENIX

CUSTOMER APPRECIATION WEEK

theme

CREATING A CULTURE OF CARING AND SERVICE.

"The sole reason we are in business is to make life less difficult for our clients."

- Matthew Odgers

To whom much is given, much is expected. This is why we don't take you for granted. We celebrate you every day. This year, Mr and Mrs Ihejirika won our couple dinner treat to a 5-star hotel. Other parents won our games with prizes. Thank you for always believing in us.

JUILLIARD HOUSING

We have hostel facilities located within the estate for male and female students. It's home away from home, and we do all we can to make our students comfortable and they have the advantage of less distraction and better academic performance. We strongly advise that all the twelfth graders be brought to the hostel so as to focus on their studies without distraction.

HOSTEL Academics

This is an edge our 12th graders have over other students. Every day, our teachers go to the hostel to teach, reteach, and revise various skills with them. The one-to-one advantage is top-notch. You don't want your ward to miss it!
