

"The best index to a person's character is how he treats people who can't do him any good, and how he treats people who can't fight back."

Abigail Van Buren

WELCOME *Back!*

With so much joy, we welcome our students and parents to third term, 2023/2024 academic session. It is the last lap of the session and it promises to be our best term yet. Second term was quite eventful, thanks to our esteemed parents for your unflinching support. We also appreciate our students for their hard work and commitment to their studies. Results show remarkable improvement in students' performance and we trust that this term will be more fruitful. We continue to work closely with every child entrusted to us; we also appeal for patience as we employ best practices to bring out the best in them. With time, an egg will walk.
