ORGLearning CONSULT

“First steps are always the hardest but until they are taken the notion of progress remains only a notion and not an achievement”.

Aberjhani.

O. B. TAIWO (MR)
Principal, Juilliard Academy

Without mincing words, the faithfulness of the Lord over us in Juilliard Academy is beyond human imagination. Six good weeks were killed with monumental success. Is it by our power? Do we have the perfect hands? All our achievements this midterm could not have been possible without the Almighty. Except the Lord builds the house, the builders only labour in vain. To God, our Builder, be the glory!

Unveiling the Term

The first half of the **STAR** term was replete with many a program, and we bless God for making the execution seamless. The term was un-

veiled with an orientation program for our new parents, where they were acquainted with the Juilliard policies. In the same vein, the first week of the term was dedicated for students' orientation and resumption activities. Our students were made to write down their goals for the term. Pronto, instructions started same week.

Every day, we opened the school with our twelfth graders morning classes and closed with the Extension/ Intervention programs. We thank God that our teachers and students have been doing beautifully well in terms of teaching and learning.

Assembly Activities

Assembly is instrumental in the day-to-day running of a school. Thus, our students were engaged with different activities on the assembly. The activities, ranging from Math Pyrate to Public Speaking, were strategically timetabled

to ensure all students were involved. So, we strongly advise against late coming.

Independence Day Celebration

Sincere appreciations to all our parents who went the extra mile to ensure the Independence Day was a big reality in our school. Talents were discovered on the D-day; as different tribes were represented to commemorate the event. We do hope that next year's edition will be a much better spectacle.

Teachers' Day and International Day for the Girl Child

We cannot thank our parents enough in this regard. These days were hugely celebrated in our Academy. Thank you, for showering encomia on our teachers on their Day and even going a step further to gifting them memorable items. Our girls were equally celebrated on the assembly, and were ably represented in a program organized by the Sanitary Pad Media Campaign for the Girl

Child at the National Museum, Lagos.

Midterm Assessment

Instructions have been rigorous and our students are adapting to the critical thinking style we adopted this term in our instruction delivery and questioning. For instance, the midterm test questions were more of critical thinking than direct style. This style enables our students to think outside the box with a view to solving problems to build a better society. Their scripts will be sent home for your perusal.

Midterm Break

Our jewels shall be proceeding on a weeklong midterm break so as to refresh and set for the second half of the term. The break runs from Monday, 25th to Friday, 29th October, 2021. They are expected back in school on Monday, 1st November, 2021, whilst the boarders will be welcomed back to the hostel on Sunday, 31st October.

Project

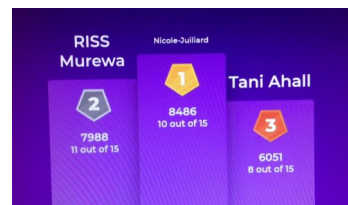

As part of the fulfilment of the completion of the First Term, 2021/2022 academic work, every student is expected to carry out a project and this forms part of their scores on the Portal. All the students already have their topics and supervisors, and they have equally met them one-to-one in school. In order to continue with the execution of the project, the supervisors have shared their email addresses with their supervisees. Through this medium, the students can turn in their works and get engaged. It would be appreciated if you could help us monitor them from the home front to facilitate smooth running of the task. The project defence is billed for Week 8.

Students Election Body

As part of our leadership grooming, our prefects were elected and sworn in in grand style. They student leadership is billed for training immediately the midterm break is over.

Good News

In the course of the term, Juilliard participated in a couple of events organized by the Association of International Schools Educators of Nigeria (**AISEN**): Math competition and inter-school debate. We fielded students for both KS3 and KS4 stages in the statewide competition, and we are glad to announce to you that your dear school has qualified to the next round of the debate (the Regional Stage), taking place in Term 2. For the Math Contest, it was a nationwide, intensely contested battle. Again, Juilliard Academy topped the contest, having defeated household names in the education sector in Nigeria. Congratulations to us all!

Microsoft Specialist Awards

Juilliard Academy is leaving no stone unturned to be the BEST. Now, we are determined to raise IT giants in our jewels; hence, we have a number of students who have been duly certified as Microsoft Office Specialists. We remain relentless to ensure we churn out a TOTAL child.

Mrs Grace Essen
School Administrator

The first half of the first term of the 2021/2022 session so far has been awesome. All thanks to God Almighty. A big thank you to our amazing parents for your support all the way. School schedule has run very smoothly with intense daily and weekend instructions followed by midterm assessment. We have been

able to integrate our social curriculum aimed at character molding and instilling positive values in our students through our Gender Assembly, School Fellowship and Meet Your Mentor sessions in addition to other extracurricular activities, such as the non-paid clubs, football and basketball academies, swimming and other sporting activities, as well as Juilliard Business School and Art Magnet Programs. The revamped **JBS** and **Art Magnet** programs are now selected based on interest of the students. We have 4 major skills – **Tech Geeks, Robotics, Beauticians** and **Home Makers**. For Art Magnet, we have ***Dance, Drama, Music, Arts & Craft***.

Frankly, we have recorded such an amazing level of enthusiasm from the students as well as the instructors.

We also had a successful Independence Day Celebration, Student Body Election and Swearing-in ceremony here at school.

It is our aim to provide safe, clean, and conducive environment for our students, so we continue to encourage adherence to the COVID -19 protocols and request that students come to school with their nose masks always.

On personal grooming, girls are allowed to make shoulder length braids only in black colour and must be packed in a ponytail. Hair beads are not allowed. Only stud earrings are acceptable.

Boys are to cut their hair low with no inscriptions, partings, marks or other stylish or distinctive cuts.

Nails are to be kept short and clean always.

Discipline

We wish to use this medium to encourage our

dear parents to instill discipline in our royals at home, as we strive to do our bit here at school. We also encourage tolerance and acceptance amongst all students.

Christmas Carol

CLOSING EVENT—TRADITIONAL CHRISTMAS

Christmas is the season that holds all time together and a special aspect of the celebrations is the Carol Service. The service usually consists of hymns about Christmas and readings from the gospels, telling the birth of Jesus. It is often traditional to hold them as community outreach events, which Juilliard Academy has constantly done over the years, and this year's promises to be the best of its kind.

This year's Christmas event would be power-packed and more of traditional settings which will reflect in the presentations, dress code, e.t.c. It is on this note that we have tagged our carol event the theme

ARA N BE 2.0 (A Glorious Evening).

Other details of the event are seen below:

VENUE: BERNARD HALL – FUNPLEX EVENT CENTER, CMD ROAD, IKOSI, KETU.

DATE: SUNDAY 12TH DECEMBER, 2021

TIME: MAT CARPET— 3:30 PM
EVENT STARTS— 4.00PM

DRESS CODE: Since the carol has a traditional theme, we suggest that students, parents and teachers are clad in Ankara fabric.

The colours of the Ankara are:

- RED
- GREEN
- BLUE

In accordance with the above, three groups have been created and each is assigned to a colour

- ◇ Junior Students/Parents - **Green Ankara Fabrics**
- ◇ Senior Students/Parents - **Red Ankara Fabrics**
- ◇ Staff - **Blue Ankara Fabrics**

Note: Parents are expected to purchase the fabric for their ward (s) with the assigned colour.

We have suggested styles for students, and parents can either pick from any or opt for another of their choice.

SUGGESTED STYLES FOR MALE STUDENTS

SUGGESTED STYLES FOR FEMALE STUDENTS

Presentation

This year will feature special presentations from interested families to render some traditional songs or otherwise. We urge our parents to participate actively and indicate interest by sending a message to 08183785643

We ask that you make this event worth our while by conforming to our plan and making it a memorable one for all. Do not hesitate to contact the school for further enquiry.

Thank you.

APPRECIATION

Thank you for all that you did for us in the first half of the term, and we believe that you will do even more for us in the second half of the term. We believe we are on the right path to becoming the BEST and this shall come to fruition VERY SOON.

Kindly find below the calendar for the second half of the term for your perusal. Thank you.
