pencils in the hands of the Creator. He sees before we see. He knows before we know. What manner of God is this? He’s our Shield. He remains our most secured Security. Even though the devil raised its ugly head in the Year 2021, the Lord proved His worth in our lives. All thanks to God for sparing our lives to witness the Year 2022 in good health. May He alone be praised!

On behalf of our dynamic visioner, Dr Maria Onyia, I want to welcome you to the **STAR 2.0 Term.**

Who are we? What wisdom have we? What strategies do we have? We are nothing but

It is the term to inject our jewels with another dose of **a resounding success.**

We are very glad that you have been part of our success story. It is another Year that we seek your unalloyed support like never before. We know we are not there yet, but we are on the path of getting to the Promise Land.

To all our parents that celebrated us during the festive season, we sincerely want to appreciate your generous candour. May the good Lord replenish your pockets.

Without mincing words, you have been very instrumental in the sporadic increase in our population. Overtime, you have preached Juilliard Academy to many and your referrals have paid off. Please, permit me to enjoin you to do more in this regards, as we still have spaces for Grades 7, 8, 10, and 11. Our promise regarding the referral bonus on each child still stands. For any enquiries, do not hesitate to get in touch with us.

Despite the hitch that impeded our resumption as scheduled earlier, you embraced our immediate transition to the Google Classroom. We cannot thank you enough for your support always. Already, our students have 5 marks for turning in their tasks as and when due.

## Theme for The Term

This term, we are climbing another rung of STARS ladder. It is another term of **STRIVE TO ACHIEVE A RESOUNDING SUCCESS.**

We have delineated the theme into subthemes in order to achieve the expected outcome. It is our belief that our students will grasp the essence of maximizing their innate talent to achieve a phenomenal output.

To achieve the theme and even more, the term is loaded with different curricular and extra-curricular activities from the first to the last week. Our students will, no doubt, become the scholars we want them to be in no time. The calendar is shared below for your perusal.

## RULE THE SKIES 5.0

I am beyond elated to announce to you that this is another big event that we are cooking for you this term. No doubt, our old parents understand that describing our inter-house sports/carnival as a “big event” is an understatement. Our jewels will, once again, be exhibiting their talents in the mega event. Permit me to remind you that parents are not left out in the spectacle. You know how we roll in Juilliard!

### INTERVENTION/EXTENSION/ WEEKEND CLASSES

Our after-school activities have commenced already. As usual, it is mandatory that all our terminal classes participate in the Extension/Weekend Classes, while students who need help in any of their subjects sign up for the Intervention Program. Our twelfth graders and those that will be taking the Oct/Nov diet of the IGCSE (our eleventh graders) have started their morning classes. It is important that they get to school on/before 7:20 a.m. This is to ensure that they are well equipped with all the skills needed to pass the examination.

## CHECKPOINT REGISTRATION

Cambridge Secondary School Checkpoint is organized by Cambridge International Education through the British Council. This examination is organized for students in Grade nine (9) as a certification examination that they have gone through the British curriculum for Junior Secondary School learners.

Although our core curriculum is the very rich and elaborate Nigerian curriculum, our students have been exposed to some part of the British and American standards and can attempt this assessment with appreciable success. Therefore, interested parents are welcomed to enrol their wards for the assessment.

Deadline for payment is 25th January, 2022. It is advised that this money be made available as soon as possible to enable us speed up the process. Kindly raise a draft in favour of JUILLIARD ACADEMY NIGERIA LIMITED or pay directly into the school's account (Juilliard Academy; 1013467181 – Zenith Bank).

### **Requirements for Checkpoint registration:**

- **1 photocopy of the data page of the student's international passport**
- **passport photograph**

Please ensure you get to us before the deadline because late registration attracts additional charges.

## MOCK1 EXAM

Our twelfth graders will be starting the WASSCE in May, so it is ideal that we examine their level of readiness before the actual exam. Therefore, they shall be taking the MOCK 1 from Monday, 24<sup>th</sup> – Friday, 28<sup>th</sup> January, 2022. Mock 2 will be fixed for them soon.

### STUDENTS' APPEARANCE
